the percentage of ATMs in metropolitan cities, semi-urban and rural area-wise;

whether there is any proposal to increase the number of ATMs in semi-urban and rural areas;

if so, the details thereof; and

if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PAWAN KUMAR BANSAL): (a) The number of Automated Teller Machines (ATMs) installed by public sector banks as on 31.12.2007 in the country, State-wise is given in the Statement-I (*See* below)

The break-up of ATMs installed by public sector banks along with their percentage in metro cities, semi-urban and rural areas is given in the statement-II. (See below)

to (e) Under the extant Branch Aurhtorisation Policy, banks are encouraged to open branches/install ATMs in rural centres and underbanked districts. The policy has a distinct thrust for making available increased banking facilities in semi-urban and rural areas. RBI gives weightage to the nature and scope of banking facilities provided by banks to common persons, particularly in underbanked areas (districts). The choice of the centre/ location of the branch/ATM is left to the discretion of the banks which the bank decide based on the business potential, commercial viability, availability of infrastructure, etc.
